CAMILLE MENDEZ ABARIENTOS

www.linkedin.com/in/camille-abarientos-b5176b216

PROFESSIONAL SUMMARY

IT graduate with 5+ years of experience across operations, data management, digital systems, and process coordination in education, healthcare, and remote organizations. Experienced in analyzing performance data, maintaining operational records, improving workflows, and developing spreadsheet-based solutions to support more efficient processes. Skilled in leveraging AI tools and digital systems to streamline repetitive tasks, organize information, and improve reporting and operational efficiency. Currently building deeper expertise in business analysis, data analytics, automation, and process improvement.

KEY SKILLS

Data Analysis • Process Improvement • Workflow Automation • Data Reporting • Project Coordination • Data Management • Performance Analysis • Problem Solving

PROFESSIONAL EXPERIENCE

Alumni Engagement and Scholarship Associate (Full-Time)
Lyceum of the Philippines-Laguna | April 2026 – Present

- Maintain and organize alumni databases and tracking systems, ensuring accurate and up-to-date records for reporting and engagement activities.
- Support the collection and consolidation of 160+ alumni records, including data validation, organization, and monitoring.
- Develop and maintain spreadsheet-based automations to streamline recurring data and reporting workflows.
- Prepare monthly performance reports by analyzing Facebook Insights and translating engagement data into actionable findings for content and audience strategy.
- Leverage ChatGPT, Gemini, and Claude AI to support research, reporting, data organization, and workflow efficiency.
- Manage digital alumni engagement initiatives, including content creation, publishing, and community coordination, contributing to 168% month-over-month Facebook page growth, 271K+ page views, 58K+ viewers, and 2.5K content interactions.

Executive Assistant & Operations Coordinator (Remote | Flexible Engagement)
Overseas Filipino Entrepreneurs (OFE) | October 2025 – Present

- Coordinate day-to-day administrative and operational activities, supporting project execution, workflow organization, and cross-functional coordination.
- Maintain Notion workspaces, SOPs, project trackers, and operational databases to organize information and improve workflow visibility.
- Prepare monthly performance reports and analyze operational and content data to support planning and decision-making.
- Develop and implement AI-assisted workflows using ChatGPT, Gemini, Claude AI, and Opus Clip to streamline content production and repetitive operational tasks.
- Improved long-form video editing workflows from several days to approximately two hours through AI-assisted processes, enabling more efficient multi-platform publishing.
- Manage content planning and publishing across Facebook, Instagram, TikTok, LinkedIn, and YouTube as part of broader digital operations.

Patient Support Specialist (Full-Time)
Nextvas Inc. | October 2025 - January 2026

- Managed inquiries and service requests for 175+ U.S. patients daily, accurately documenting and coordinating concerns across appointments, prescriptions, billing, shipping, and telehealth services.
- Reviewed patient intake forms, medical history, eligibility requirements, and supporting documentation to ensure information was complete and properly processed.
- Maintained accurate patient records and documentation while coordinating complex cases with appropriate internal departments.
- Worked within established workflows and HIPAA requirements while handling sensitive information with accuracy, confidentiality, and attention to detail.

Head of Content Strategy (Remote | Flexible Engagement)
Overseas Filipino Entrepreneurs (OFE) | January 2023 – September 2025

- Developed and managed data-informed content strategies and monthly campaign plans across Facebook, Instagram, LinkedIn, TikTok, and YouTube.
- Monitored content performance and audience insights to identify trends, evaluate campaign effectiveness, and support strategy adjustments.
- Coordinated cross-functional content production by managing creative assets, publishing schedules, and campaign deliverables across multiple platforms.
- Conducted market research and translated audience and performance data into actionable recommendations for content and campaign optimization.

Records Officer (Full-Time)
Calamba Doctors' College | October 2023 – April 2024

- Managed student records using the institution's internal records system, Microsoft Excel, and Google Workspace, ensuring accurate and organized information.
- Processed, verified, encoded, retrieved, and maintained academic records and official documents while following established data-handling procedures.
- Reviewed and validated records for accuracy and completeness before releasing official academic documents.
- Managed high-volume requests, assisting 30+ students, faculty, and stakeholders daily, increasing to 150+ during peak scholarship, enrollment, and graduation periods.
- Maintained organized digital and physical filing systems through document scanning, archiving, retrieval, and records management.
- Coordinated with students, parents, faculty, and other stakeholders through walk-in, email, and phone inquiries while maintaining data privacy standards.

ESL Teacher (Remote | Flexible Engagement)
Native Camp | July 2023 - December 2023

- Delivered 20+ online English lessons daily to international learners, adapting instruction and communication approaches to different proficiency levels and learning needs.
- Assessed learner performance, tracked progress, and provided structured feedback to support individual learning goals.
- Developed strong cross-cultural communication, problem-solving, and time-management skills while managing a high-volume remote teaching schedule.

Graphic Designer & Copywriter (Part-Time)
JR.COM Art Studio | January 2020 – January 2023

- Designed 30+ marketing and branding materials monthly for small businesses, restaurants, entrepreneurs, and event clients across digital and print formats.
- Developed social media captions, advertising copy, and product descriptions aligned with clients' brand messaging and campaign objectives.
- Coordinated directly with clients to translate requirements into creative outputs, manage revisions, and deliver projects on schedule.

Ads Manager (Remote | Flexible Engagement)
Overseas Filipino Entrepreneurs (OFE) | June 2021 – May 2022

- Planned, launched, and managed 4–8 Meta advertising campaigns monthly across Facebook and Instagram for lead generation, brand awareness, and community growth.
- Monitored campaign performance and analyzed advertising data to evaluate results and identify optimization opportunities.
- Conducted audience targeting, budget allocation, and A/B testing to improve campaign performance.
- Collaborated with creative teams to develop campaign assets and implemented data-driven optimizations based on performance reports.

Social Media & Community Manager (Remote | Flexible Engagement)
Sparta School of Games | June 2021 – May 2022

- Led a creative team of graphic designers and copywriters, coordinating content production and ensuring alignment with brand and campaign objectives.
- Managed content planning and publishing across Facebook and Discord, coordinating 30+ content pieces monthly.
- Monitored community and content analytics to evaluate engagement and optimize content strategies.
- Managed an online community of 1.4K+ Facebook followers and 200+ Discord members, supporting engagement through structured content and community initiatives.

External Marketing Associate (Part-Time)
Grace Apparel PH | 2018 – 2020

- Built and maintained relationships with churches, ministry leaders, and community organizations to support brand partnerships and customer reach.
- Managed client communications, partnership coordination, negotiations, and customer inquiries while maintaining strong stakeholder relationships.
- Supported product promotions and community initiatives that contributed to long-term partnerships and brand visibility.
